FOREWORD

This year's **Red and Green** is an account of events and experiences which have been very important to us, individually and as a student body. It has a theme which is very close to our time and to our school life. This school year will be recalled as one unique in our history in times to come.

Jamestown High School's retiring principal, Mr. Merton P. Corwin, has, more than any other person, in his long and valued service to the school, made it what it is today. His influence has been important to both the formal education and the many extra-curricular activities of J.H.S.

The **Red and Green** art staff has related Mr. Corwin's beloved hobbies of hunting and fishing to the book by using an outdoor motif. In the copy we are looking back upon the achievements of the school under our principal's leadership.

We are also looking toward the future, in which the members of the class of 1957 will have opportunities to use the knowledge and experience they have gained during their high school careers. The lasting friendships and memories reaped from these years will always be treasured.

TO MR. CORWIN

The present students of Jamestown High School, as well as its alumni, cannot but feel regret to know that our highly regarded principal, Mr. Merton P. Corwin, is retiring from active school life at the end of this year. His 36 years of leadership have made him an invaluable part of the school.

It is interesting to note that Mr. Corwin came to J.H.S. almost by accident. In 1913 he was staying in Jamestown on his way to be interviewed for the principalship in a nearby community when Rovillus Rogers, then superintendent of schools, offered him a position as head of the Mathematics Department here. Mr. Corwin accepted because he liked this area and never did arrive in the other town.

After serving as assistant principal, Mr. Corwin became principal in 1920. The old high school building was in use then, but was so crowded even after additions had been built, that portable schoolrooms were put into use. Twelve of these wooden structures were on the campus at one time. In those days, the high school had daily chapel exercises, a practice which gave Mr. Corwin more contact with the students than he enjoys today.

Since the completion of the present building in 1935, several new organizations have been added to the program. Mr. Corwin was instrumental, for instance, in organizing a chapter of National Honor Society in J.H.S. As a matter of fact, the Kappa Alpha Tau chapter in Jamestown was the first one in Chautauqua County. He also gave great encouragement to the Future Teachers of

America chapter which was named for him, and to the Thespian Troupe.

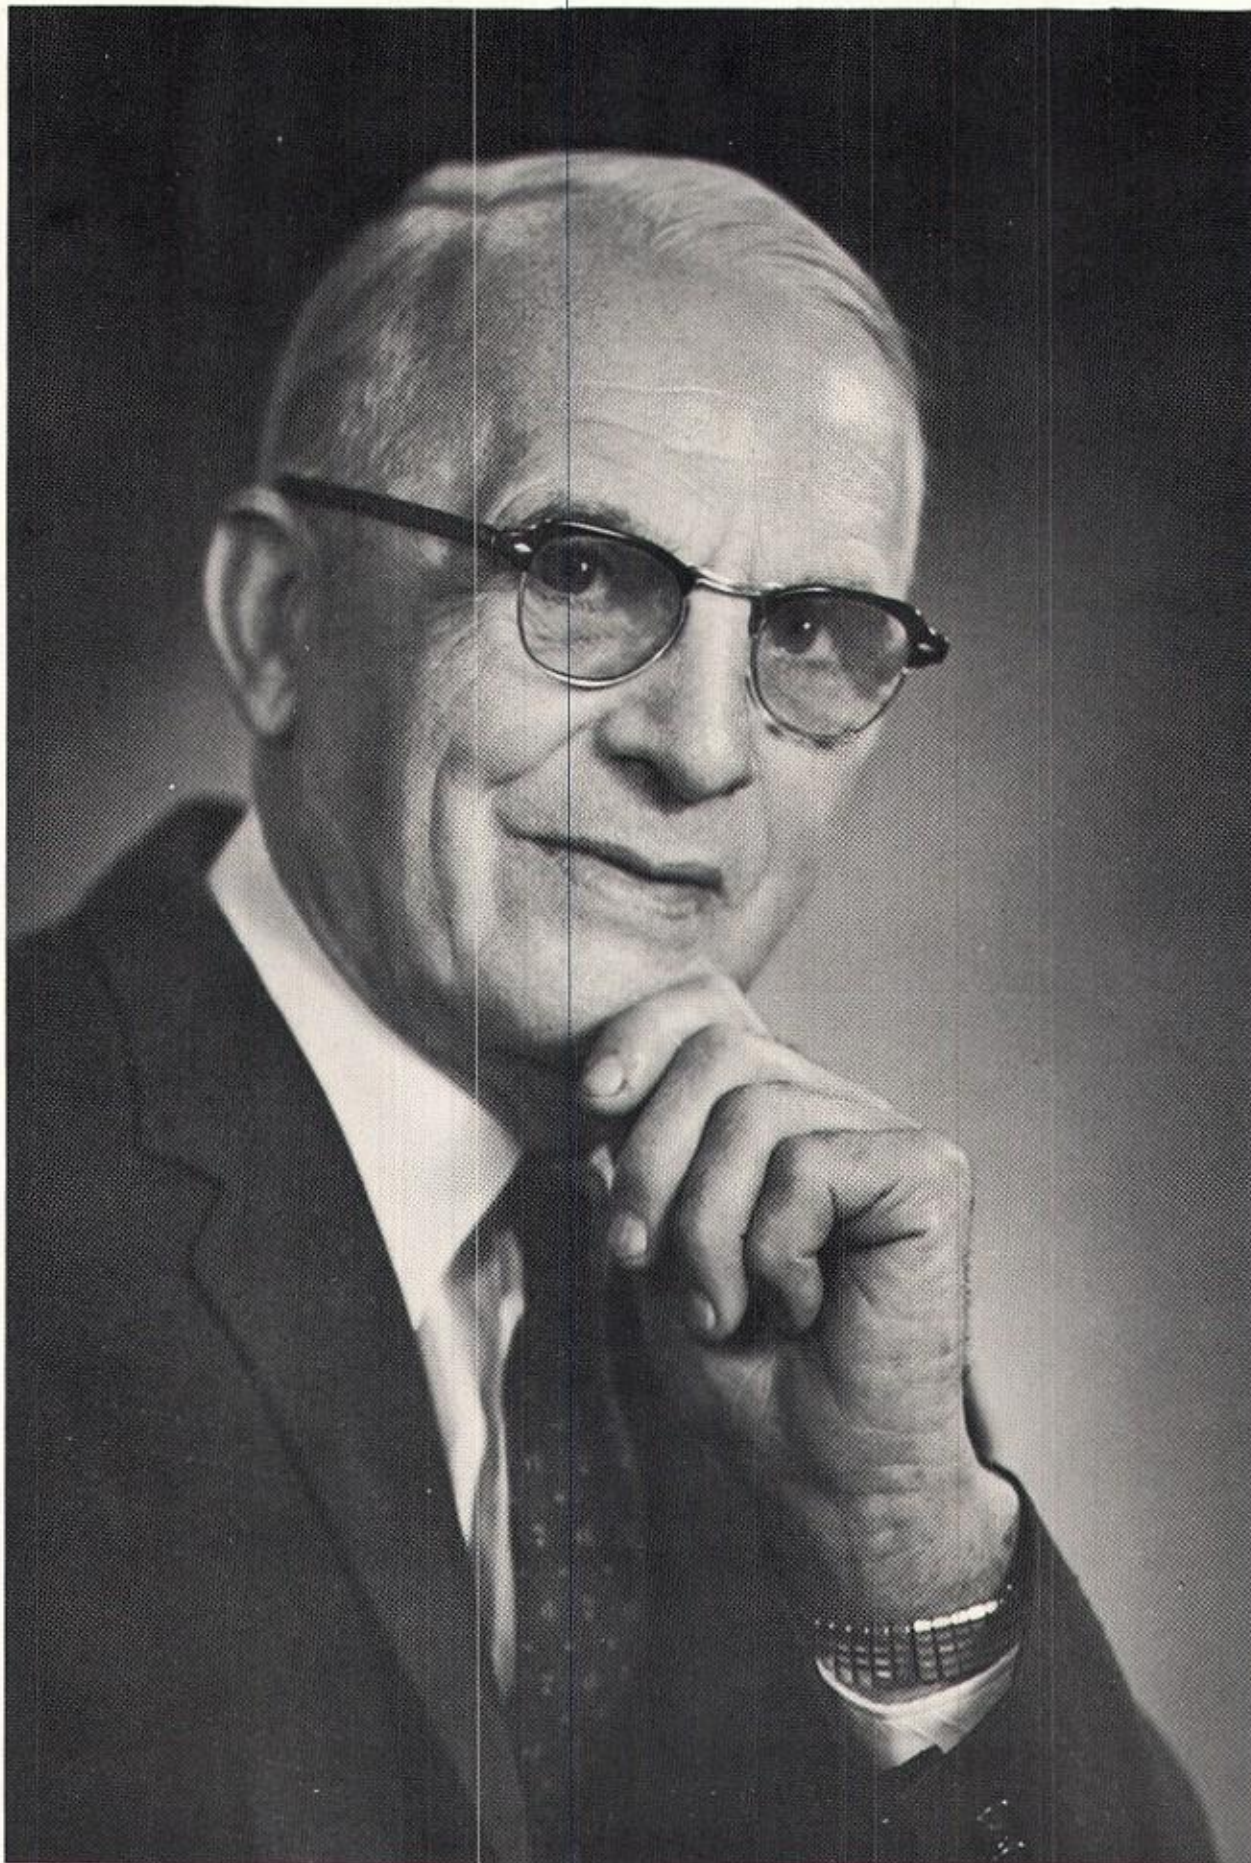

At the beginning of Mr. Corwin's administration, there were only about one thousand students, including the ninth grade pupils, in the high school. Since then, there have been as many as nineteen hundred at one time. The technical department and vocational courses have expanded greatly. Mr. Corwin says the greatest change in students is improvement in their ability to speak in classes, and the best change in education, the emphasis now put on reasoning.

Mr. Corwin will probably use his executive ability in business after his retirement. He looks forward to having more time to spend outdoors, fishing, hunting, or just enjoying nature, for he is happiest in these pursuits outside school.

The thousands of students who have known Mr. Corwin feel that theirs was a real privilege, for they have known a man deeply kind, or "if severe in aught, the love he bore to learning was at fault." The faculty who have taught under Mr. Corwin have found him fair in his dealings. He has exercised his authority when need required it, but has always expected his teachers to use their "own good judgment." Mr. Corwin has taken an active part in community affairs and has welcomed the townspeople to participate in high school doings.

To Mr. Corwin, then, go our heartfelt thanks for his many contributions to the happiness and welfare of the young people of Jamestown. There is a special place forever his, in the hearts of all of us.

DEDICATION

Mr. Floyd M. Miller

The Class of '57 proudly and gratefully dedicates its yearbook to Mr. Floyd M. Miller, who is an integral part of our class spirit. His ceaseless labors, unlimited enthusiasm and devoted assistance in promoting each of our undertakings have resulted in a deep respect and high esteem for him by all members of the class. Our deep appreciation can never be fully expressed, but his helpful guidance and devotion will long be remembered.

RETIREMENT

MR. CHARLES A. KUHN

When a person thinks of Mr. Kuhn, the qualities of a true gentleman come instantly to mind. He is a man meticulous in his person, his work, and his requirements of others. He has demanded work as perfect as a student could produce; he believes in the discipline of doing what is asked. For all that, Mr. Kuhn displays a delightful sense of humor and a happy outlook on life. He has been a friend to hundreds of boys in his classes. Our sincere hopes are that Mr. Kuhn will find all sorts of rich satisfactions in his new life.

MISS MYRTLE L. PAETZNICK

Jamestown High School has been greatly enriched by the personality and vitality of Miss Paetznick. Her patient and skillful direction of young actors, her enthusiasm for her subject, and her generous giving of her own talents have endeared her to everyone privileged to know her. We hope that her future will hold bright remembrances of the school she served so devotedly and the students she inspired so deeply. Miss Paetznick will now have leisure at her disposal, but one cannot imagine her idle. We know her well enough to know that she will be as vital, busy and happy, as ever.

RETIREMENT

DR. MARGUERITE HOLMAN

One of the best known and best loved members of our school system is our school physician, Dr. Holman. It is she who has welcomed each child at the annual Kindergarten Round-Up and followed his career in terms of health throughout his entire school experience. Her warm friendliness and her genuine interest in each individual pupil have meant a great deal to students and parents alike. Although Dr. Holman leaves her school routine, she will continue to live among her countless friends in Jamestown.

For the last six and a half years Miss Lawson has served as school nurse in J.H.S., after being transferred here from the Administration Building. She says she has enjoyed every bit of her work, principally the actual nursing. She has been fascinated by the multi-facets of human nature as she has seen them in her work. She has gained an invaluable understanding of people and a true sense of humor. In the future, she expects to visit shut-ins, to do much sewing, to spend more time with her niece's children, and to visit Florida.

RESIGNATION

Miss Helen M. Overs

Early in the school year, Miss Helen M. Overs resigned her post as girls' counselor at J. H. S. to accept the position of Associate Dean at State University Teachers' College at Fredonia. Miss Overs' friends—students, alumni, and faculty—extend to her their best wishes for happiness in her new work, knowing well that the same selfless devotion that endeared her to them so completely will make her of great good influence at Fredonia.

SENIOR PEP SONG

Hail, the Class of '57,
 We'll always fight for thee;
 In all ways we'll make you the best
 That J. H. S. has ever seen.
 With our motto, "Deeds, not Words,"
 We'll strive to work together
 To carve our name in J. H. history
 As the class that really tops them all.

To the Blue, to the White,
 To the colors that give us the urge to fight!
 To the guys, to the gals,
 To the ones who will make our future bright!

As we set our goal in life,
 Progressing from year to year,
 Hail, the Class of '57,
 We'll always hold your memories dear!

SENIOR CLASS SONG

J. H. S., your halls we're leaving.
 We, the Blue and White,
 Pray that God will ever lead us
 Forward in the right.

With the knowledge you have giv'n us,
 Guidance in our youth,
 We'll go forth with love and honor
 And uphold the truth.

"Deeds, not Words" our goal will be
 As we strive for fame.
 We, the Class of '57,
 Go onward in thy name.

—Mary C. Strand

Tune: "Far Above Cayuga's Waters"

SENIOR CLASS HISTORY

It seems as though it were only yesterday when we, the graduating class of 1957, entered the high school as sophomores.

With earnest endeavor we set out to make our high school days memorable. With our hopes high, we elected the following officers:

President Frank Hammerstrom
Vice President Richard Day
Secretary Patricia Venman
Treasurer Patsy Smeragliuolo
Historian Richard Heitzenrater
Keeper of Properties .. Thomas Sharp

Our sophomore reception was a happy event which was held in November, 1954. We won the one-act play competition of "**Broadway on Second Street**" with the well-acted play, "Two Crooks and a Lady." The class colors chosen were blue and white; carnation is the flower, with the motto being "Deeds, not words."

By the time our junior year arrived, we felt we had grown up more. We renewed our vows to assume a greater responsibility toward ourselves, our classmates, and our faculty, and to render more service to our school. The following officers were elected to do the task set forth before them:

President Michael DeMarco
Vice President Patricia Venman
Secretary Sophia Tane
Treasurer Richard Jeziorski
Keeper of Properties
Patsy Smeragliuolo

The junior play, "The People Versus Maxine Lowe" was given on February 18, 1956, under the direction of Miss Myrtle L. Paetznick. It was a real hit.

We reached our senior year with great joy, our cups running over with confidence that we had partially achieved what we had set out to do in our high school days. With this assurance, the class elected these excellent officers:

President Richard Heitzenrater
Vice President Bradley Long
Secretary Patricia Venman
Treasurer Michael DeMarco
Keeper of Properties. Marjorie Hanson
Historian Clarence Hunter

The senior class play, "You Can't Take It With You", was presented on October 25, 1956 under the fine direction of Mr. Gordon Swanson. Among the many things that shall always remain pleasant memories to the members of the class of 1957 as they turn back the pages of time will be the ordering of class rings, taking of class pictures, and the measurements for caps and gowns. Now that we are standing upon the threshold of our graduation, it seems as though we have just been awakened from a pleasant dream of high school days, that has actually been a reality.

Our class advisor is Mr. Floyd M. Miller, who has been understanding and long-suffering. He has been the living tape-measure by which we were led, guided, and directed.

On Tuesday morning, June 25th, we shall make our final walk into the J.H.S. auditorium as high school students. With great pride we shall accept our diplomas, which seem a reward for much work well done. We will go forward with our heads high, emerging as graduates and taking our places along with the proud family of J.H.S. alumni. Since we must bow out, it gives us consolation to know that our principal, Mr. Merton P. Corwin, who has successfully piloted J.H.S. for 36 years, is bowing out with us. The class of 1957 feels honored to be the last to graduate under our respected principal.

Down through the three years we have shared together, we have become so closely knit that, in spite of journeys in all directions, we shall always remain together in spirit, for something so great that nothing can remove it has been planted in our hearts.

CHANGE IN ASSIGNMENT

MR. AVARY E. WILLIAMS

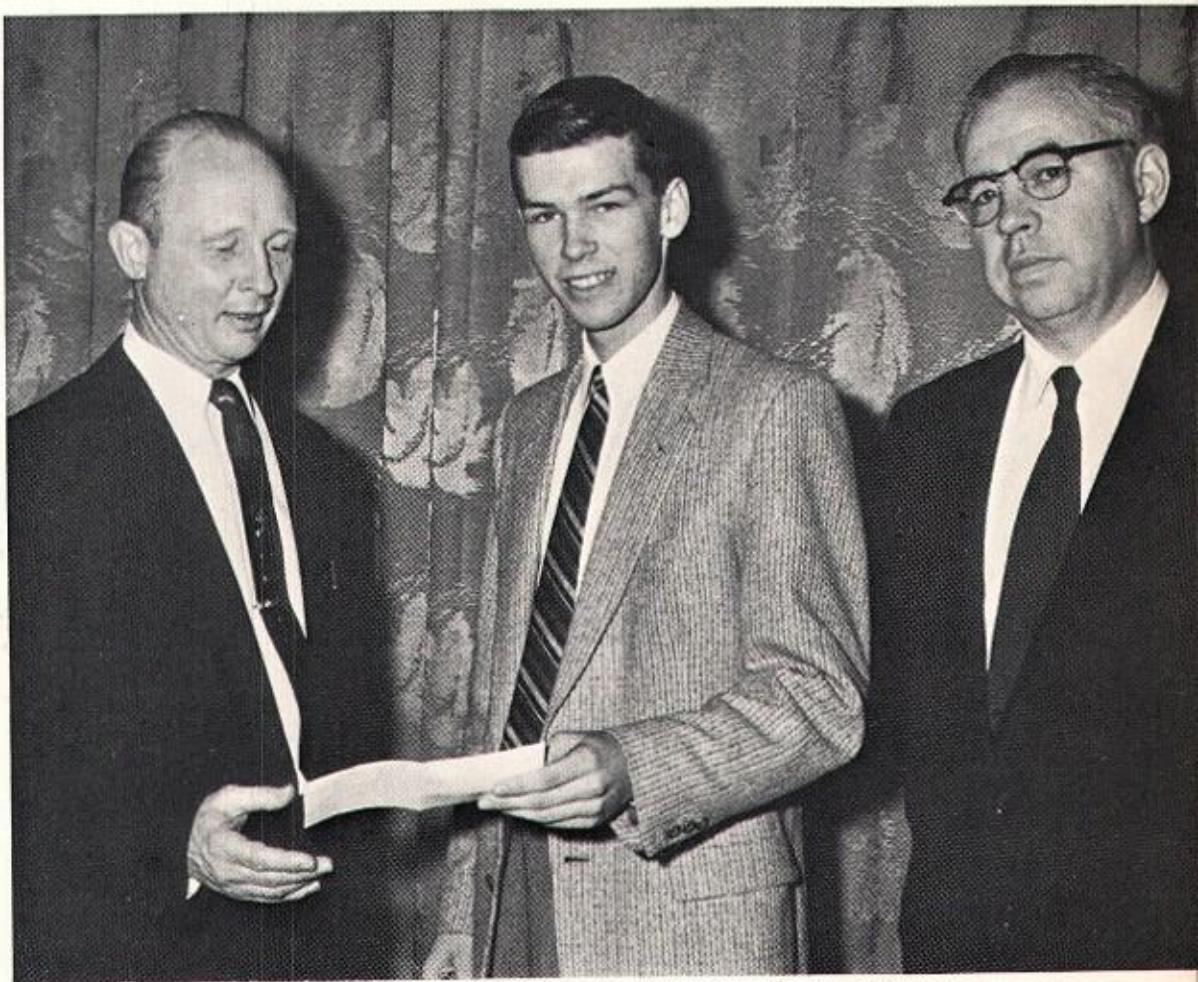

Students of Jamestown High School, past and present, are happy for Mr. Williams that he will now have an opportunity, as consultant in mathematics and science, to devote his energies to the development of a more valuable program in those fields. That he will be missed in J.H.S. goes without saying, for as vice-principal, he has served the school and its students devotedly.

JUNIOR CLASS HISTORY

The class of '58 entered the more familiar and friendly halls of Jamestown High School last September full of confidence, and with the determination to make our junior year successful and eventful. Now at the end of this year we realize that we have more than reached these goals.

Our first project was the election by automatic voting machine of those whom we thought most capable to lead our class. Those chosen were the following:

President	Edward Lesser
Vice-President	Thomas Raffa
Secretary	Janet Venman
Treasurer	Anthony Merchant
Keeper of Properties	Jack Stafford

An additional election was held to fill the office of Historian left vacant by Thomas Raffa when he became Vice President. Sally Laughlin was chosen for this post.

On February 2 the class play, "What A Life", was presented. The Henry Aldrich story was a tremendous success thanks to the able supervision of Mr. Gordon Swanson; the cast headed by Steve Olson, Pat Allison, Roger Olson, Carole

Sprinchorn and Sumner Blanchard; and all the members of the Junior Class who supported the production. We should also like to take this opportunity to thank Mr. Wilson, Miss Wood, Mrs. Erickson and Mrs. Paulson for their help and hard work on committees.

We realized that our senior year was very close when the class ring committee announced that the juniors were soon to be measured for rings.

Other events which we look forward to are the traditional Charles E. Hall debate, for which we feel confident we will have a winning team, Moving-Up Day and the Junior-Senior Reception.

In addition, members of our class will assist in the closing ceremonies of the year, when they serve on committees to decorate the auditorium and to serve as ushers for commencement activities.

The Class of '58 would like to voice our deepest appreciation and sincerest thanks to our fine understanding advisor, Mr. George Keeler, who has been a friend to us all and helped us make our junior year so successful.

Sally Laughlin, Historian

SOPHOMORE CLASS HISTORY

On September 5, 1956, Mr. Merton P. Corwin, principal of J.H.S., greeted a new sophomore class for the last time. This class happened to be the Class of 1959. Mr. Corwin is retiring this June; we shall miss him but we are grateful for this year's opportunity to know him and profit by his guidance.

Under the direction of Mrs. Gladys Krieger, advisor for the Class of 1959, our first year at J.H.S. was very successful.

The first big project scheduled for our class was the election of class officers held on October 16. Those elected to hold offices are the following:

President Anthony Certo
 Vice-President Thomas Rigoli
 Secretary Phyllis Stenander
 Keeper of Properties Kenneth Beatty
 Historian Brenda Lee Bloomquist

"Open the door and go beyond" was chosen as the class motto. Our flower is the red rose; red and white, our colors. Our pep song was

made this year, but the serious song will be made during our junior year.

Another big event was the Sophomore Reception which was held on November 15 at J.H.S. This gave the parents of the sophomore students a chance to become acquainted with the teachers. A program was held later in the auditorium for the parents. Anthony Certo, president of our class, greeted the parents and introduced our class advisor, Mrs. Gladys Krieger. A few musical numbers were presented by the students. The highlight of this program was the induction of candidates for Honor Society.

The Sophomore Class had a very successful year in sports. The teams came out on top in most of the sports they participated in.

We hope that our junior year under the advice of our class advisor, principal, and the class teachers will be as successful as our sophomore year has been.

HONOR SOCIETY

Character, scholarship, leadership, and service: these are the standards for which all members of the Kappa Alpha Tau Chapter of the National Honor Society are chosen. It is an honor and privilege to be selected for this society. Under the direction of Mr. Carl Levin, faculty advisor, induction ceremonies were held in November and April.

A conference of Western New York Honor Societies was held in the late spring of 1956 at Palmyra, New York. In December members were called upon to conduct an induction ceremony at the Cassadaga Valley Central School. The clothing drive held this year at J.H.S. was also sponsored by Honor Society.

Familiar places to find most Honor Society members have been in the gym, selling popcorn, ice cream and pop at all of the home basketball games; or in the corridors, selling plastic book-covers. These projects are the main source of income for the Honor Society Scholarship which is presented each year to a Jamestown High School senior.

This year's program also included a rummage sale and a "Spring Swing" dance in April. Officers for this year have been the following:

Richard Heitzenrater...President.....
 Marjorie Hanson...Vice-President.....
 Patricia Venman.....Secretary.....
 Eleanor Stanford.....Treasurer.....

RED AND GREEN

The editorial, business, and art staffs of the **Red and Green**, under the supervision of Mrs. Florence Zanghi, Miss Rosella Agostine, and Mrs. Lois Strickler, and Mr. Richard Ramsauer, respectively, were off to a flying start last fall in compiling a **Red and Green** that will really be an outstanding reminder of 1957 high school days.

Eleanor Stanford, editor-in-chief, led the editorial staff while Ronald Janowsky, business manager and Richard Heitzenrater, assistant business manager, headed the business staff, in the long hard work involved in the formation of a successful yearbook. The outstanding art abilities of Donald Forney, assisted by Diana Lynn, has added a great deal to make the book attractive, and different from all those of the past.

The sales campaign, launched on February 15th, lasted two and one-half successful weeks, ending with 1150 books sold. Sebastian Triscari broke the individual sales record by selling 109 books, topping a previous 93.

This year, because of Mr. Corwin's retirement, the sales campaign was extended throughout the city, since a large percentage of Jamestown's population has attended J.H.S. while Mr. Corwin has been principal.

For the first time in the history of **Red and Green**, this year's books have been printed by the offset process, instead of the former letter press method, which has given more informality to the arrangement of the material on the pages and has made it possible for more color to be used in the art work. There are several other new features in the book, such as the snapshot page of senior committees, which make this year's **Red and Green** unique.

The tasks of the editorial staff included layout of the book, identifying, cropping, and scaling of pictures and revision of copy to meet the printer's deadline. After the caption writers handed in the captions for each homeroom, these too, had to be corrected. The typists were constantly kept busy during all this activity. The cameras were also often in use.

J-QUILL

"At last! Here's another J-Quill, but when do we get the next issue?"

It was so easy to say, but little did those who said it know what actual planning and hard work went into that issue, which they were holding in their hands. Hard work, yes, by writers, typists, proof readers and editors, who were all under the expert guidance of Miss F. Elizabeth Jacques, J-Quill's faculty advisor. This project of four papers this year consumed a great deal of time, but every minute was well worth being spent.

Many values come from a project such as this, things that will last a lifetime. Every member learned the value of a good news story, learned to meet deadlines, to be accurate, and finally to be proud of the finished project, when it was well done. The page editors received additional values, by seeing that things did get done, by doing final organization, and by sorting the actual material. Every member really took part

in a very worthwhile project, and received in return, very worthwhile skills.

In addition to publishing the regular J-Quill, the organization sponsored a column in the Jamestown **Post-Journal**, "Along J.H.S. Corridors". This year, Rosalie Paterniti edited this feature. This, too, was well worth the effort it involved, as it put J.H.S. in the news, and kept the students up to date.

This year the paper was directed by the following students:

KEY CLUB

This year, as every year, Key Club emphasized school and community service. Under the capable guidance of Mr. George Keeler, faculty advisor, this group worked successfully on its many and varied services and activities.

The most important development for Key Club during the year was the widening of basis of the membership. The Key Club is now made up of elected male representatives from all the J.H.S. clubs and organizations. In addition, the male class officers are automatically Key Club members. All this has meant that the membership has increased from 25 to 40, and that the Key Club has taken on the aspect of an inter-club council. It is felt that the Key Club has been strengthened by this change and that the wider

membership base will enable the Key Club to perform even greater services than in the past for the school.

The most important service project undertaken by the Key Club this year was the organization and direction of the Teens Against Polio campaign for the 1957 March of Dimes. This year all the teenage fund-raising activities in Jamestown for the March of Dimes were performed by the clubs, organizations, and students at J.H.S. Since the Key Club is made up of representatives from all of the J.H.S. clubs and organizations, this group was assigned the task of directing and coordinating the Teens Against Polio campaign. In the five major projects which were conducted nearly \$1400.00 was raised. The

newspaper and radio publicity in connection with this effort brought the activities of the Key Club to the attention of the general public.

In J.H.S., Key Club, in co-operation with guidance department, organized a staff of hosts that served during the College Night Conference in November. During American Education Week the Key Club distributed leaflets about the Jamestown Schools to the professional offices in Jamestown. This organization directed the parking lot facilities during the Chautauqua County Teachers' Conference at J.H.S. in September. Key Club also organized the ushering staff for seven performances of the Black Hills Passion Play. This play was given in the J.H.S. auditorium and was sponsored by the Jamestown Kiwanis Club. In addition, a monthly J.H.S. Club Bulletin, a listing of all club activities at J.H.S. is prepared and distributed by Key Club.

In April, Key Club activities were climaxed by

the state convention at Monticello, New York. The members who attended had an enjoyable time. They were accompanied by members of the local Kiwanis Club.

The local Key Club chapter is a member of Key Club International and is affiliated with the Jamestown Kiwanis Club. Every Thursday two members attended the Kiwanis Club meeting in the Hotel Jamestown. In December, the Key Club members conducted the Kiwanis luncheon program. A current events quiz program between three Key Club members and three Kiwanians was a highlight of the program.

The officers for the year were these hardworking members:

President	Bradley Long
Vice-President	Stanley Lundine
Secretary	David O. Lincoln
Treasurer	Richard R. Day
Lieutenant Governor	Philip Chall

FRENCH CLUB

The French Club has added another successful leaf to J.H.S. history this year. Room 309 was the center of various activities each week which helped to acquaint the members with the customs of France, its songs, and its games.

As in recent years, a project which **Le Cercle Francais** thoroughly enjoyed was the sending of a Christmas package to an orphanage in France. During the weeks before Christmas, the members were busily engaged in packing their contributions, which were gratefully received by the children.

Le Cercle Francais undertook the sending of two poinsettia plants, another Christmas project, to an elderly Frenchman who resides in a local nursing home.

The members particularly enjoyed slides of France presented by Miss Violet D. Bennett, business education teacher at J.H.S., and a speech given by Joseph Irby, last year's youth ambassador to France. Both of these greatly increased the group's knowledge of French life and habits.

This year **Le Cercle Francais** had the opportunity of exchanging ideas and opinions with

teenagers in France. All were delighted by the letters received, which familiarized them more with the language and problems of France.

French Club also experienced an excellent financial year. On February 15, the group sponsored a very successful Valentine dance following the basketball game. The climax of the affair was the crowning of the king and queen, who were David Lincoln and Patricia Verblaw.

On March 22, the group sponsored a second dance, the **Record Hop**. The proceeds from the dance were used to compensate for the expenses of the many projects of the club.

The annual banquet in May appropriately concluded the year's activities, which were under the able supervision of Miss Emma Barber, faculty advisor.

The year's officers were the following:

President	Suzanne Root
Vice-President	Ann Peterson
Secretary	Rosalie Paterniti
Treasurer	Eleanor Roberts
In charge of attendance.....	Anita Roselli

SPANISH CLUB

Every Friday afternoon, an atmosphere of Latin America has prevailed in room 225 where the Spanish Club has enjoyed a lively program throughout the year. Under the supervision of Miss Ethel M. Swanson, J.H.S. language teacher, members of **Los Amigos** have gained interesting information about Latin America which they would not have learned during a regular class period.

The highlight of the year was the Christmas party held at the home of Miss Swanson. After a typical Spanish dinner, some of the members hung up the gaily decorated pinata. The object was for a blindfolded person to break the pinata, which was filled with gifts. Having opened the gifts, everyone played games and sang songs. Miss Beatrice Eckberg, head of the J.H.S. language department, furnished prizes from South America.

Another outstanding feature of the year was the showing of slides. Miss Eckberg presented an interesting program with her slides of South

America. Carrie Ann Wilson showed her pictures of Central America.

During the year, the members learned plays, games, songs, and dances. As a service project, Spanish Club made posters of fruits and vegetables with Spanish and English labels, for the use of the local Puerto-Ricans who were learning the English language.

A dinner on April 15 proved to be a delightful event with Perla Manapol, an exchange student from the Philippines, as guest speaker.

As a means of defraying expenses, the club sponsored a dance after the basketball game between Jamestown and Silver Creek.

The group has been efficiently guided by these officers:

President	Diane Wistran
Vice-President	Carrie Ann Wilson
First Term Secretary.....	Nancy Battaglia
Second term Secretary ..	Marlene Williams
Treasurer	Renetta Larson

YORKER CLUB

"Variety" has certainly been the keyword of Yorker Club this year. Under the direction of Mrs. Hazel Spurr, citizenship education teacher, the club held meetings on the first and third Wednesdays of the month. At one of these meetings Mr. Clayburne Sampson spoke on "Keelboats." On the alternating weeks, Mrs. Stanley Weeks directed special meetings, where the members sang folk songs of the Revolutionary War period.

A part of Yorker Club's program was taking small excursions to places of historical interest in Chautauqua County. In October, the first of these trips was taken to the Westfield Historical Center. This center is Chautauqua County's largest museum, owned by the Chautauqua County Historical Society.

Several members of Yorker Club attended the Regional Jamboree at Pine Valley, New York. Others traveled to East Aurora and were present at a meeting of the Western New York State District. Here a constitution for the district was drawn up, setting forth the purposes and procedures of the Yorker Club.

Highlighting the year's events was the trip to Lake Placid, in the Adirondack Mountains, for the annual state convention. This took place on May 10th, 1957.

The people who headed the Yorker Club this year are the following:

First Term	Office	Second Term

MI-Y

As a member of the world-wide organization of Y-teens, Mi-Y enjoyed a successful year filled with activities and fun.

In September, the girls pledged to uphold the high principles of the Y.W.C.A. in an impressive recognition service. Led by their new officers, the members pledged: "To take from our spiritual life all that is unreal, to find the living God within a living universe, to be ourselves alive in the living world of one God — this is our purpose."

The year appropriately began with a weiner roast at the Y.W.C.A. camp, Camp Ya Wa Ca. This was to be the first of many enjoyable activities for all.

Friendly relations between Mi-Y and Hi-Y, the boys Y-teen organization have been maintained throughout the year. November and December brought parties and dances which both organizations thoroughly enjoyed. The Christmas dance in December was undoubtedly the most successful and certainly the most enjoyable of these affairs.

One of the main projects of Mi-Y this year has been visiting different churches in the community. The study

of various religions has made Mi-Y meetings more interesting and has served to familiarize the girls with denominations other than their own.

The girls ushered in the New Year by having a pizza party. March brought a taffy pull for all the members.

In December, Mi-Y collected clothing for the poor of Hungary. During the weeks before Christmas, the members were busy packing their contributions, which were gratefully received.

Many of the girls attended the Eastern Regional Teenage Conference in May at Atlantic City, New Jersey. The girls had many new ideas and projects to talk about when they returned and told the rest of the group of their unforgettable experiences.

Mi-Y wishes to thank its sponsor, Mrs. Marilyn Haskell, for making the year such a successful one.

The officers are as follows:

President	Judy Fancher
Vice-President	Diane Wistran
Secretary	Susan Michaels
Treasurer	Joan Herlet

HI-Y

The most important event that has ever happened to the Hi-Y organization in Jamestown was the holding of the Western New York Youth Conference here on May 3rd through 5th. This was the first time that this conference had ever taken place in Jamestown. About three hundred boys and girls, belonging to Hi-Y and Tri Hi-Y in western New York State came for the weekend. In spite of the very great efforts involved, this project was both rewarding and stimulating to Hi-Y members.

This year, another important development, the formation of the Beta Hi-Y chapter, took place. This group, which was established because of the unusually large turnout for membership in the existing chapter, Alpha Hi-Y, has been deemed a success in its first year.

Beta Hi-Y and Alpha Hi-Y held four dances

in the "Y" gym after home basketball games, as Hi-Y has done in other years. This year the dances, as a change, were "sock hops", which seemed to add to the fun. The money earned by these well attended affairs was used for the club's many service projects.

During the Thanksgiving season Hi-Y and Mi-Y collected a basket of food and donated it to a deserving family. In June Hi-Y will present the Norman F. Nelson award to the senior boy at Jamestown High School who best exemplifies the Hi-Y ideals. This summer the clubs will send some boys to camp for a week.

The biggest social event for Hi-Y this year was its dance with Mi-Y in the Y.W.C.A. The fine attendance and the holiday atmosphere made this a memorable occasion. The second annual Alumni Dinner also took place at Christ-

mas. This gathering of old and new members stirred many memories. There were many other social events, such as hayrides, throughout the year.

The members of the club would like to thank "Bill" Ried and "Herb" Carlson, Hi-Y advisors, for their continuous help in making the year successful.

Alpha Hi-Y elected this year the following capable officers:

President Ronald Janowsky
Vice-President Wayne Adams
Secretary Loren Carlson
Treasurer Stephen Carlson
Chaplain Lawrence Huston

Beta Hi-Y was piloted in its first year of existence by these officers:

President Robert Carlson
Vice-President Bruce Carlson
Secretary David Hedberg
Treasurer Dennis O'Pray
Chaplain Stephen Williams

FUTURE TEACHERS OF AMERICA

"Is teaching worthwhile? Is it for me? What are its advantages and disadvantages?" These are but a few of the questions that young people ask today. If you have these questions, join the Merton F. Corwin Future Teachers of America Club, for its purpose is to acquaint young people with the opportunities, responsibilities and satisfactions of the teaching profession.

This year the club has had many interesting and varied programs. Most of the meetings were supper meetings held in the school cafeteria, at Jamestown Community College, Euclid Avenue School, and Buffalo Street School, followed by interesting programs related to the teaching profession. Some of the "red-letter" programs included our visit to Community College, a panel discussion prepared by F. T. A. members, the visit and talk given by Perla Manapole from the Philippines, and the excellent panel discussion presented by a group of teachers new to the teaching field, who gave their reactions to their chosen profession and to teaching in Jamestown. There were two delightful social occasions, one a supper meeting honoring Miss Helen Overs, the founder of the club, and the annual banquet in June at which Mr. Merton P. Corwin, for whom the club was named, will be the honored guest.

One of the most valuable activities of the club was the "teacherette" program which enabled students to observe and assist in an elementary or junior high school class one day a week.

F. T. A. also played a part in our community life. During American Education Week a group of members

presented a panel discussion on the importance of education over W. J. T. N. and at several club meetings. Another group of members was in charge of a window display in Geer-Dunn's window. Besides participating in these two worthwhile projects, F. T. A. furnished guides for the Chautauqua County Teachers Association meeting, and assisted in the March of Dimes Polio Drive.

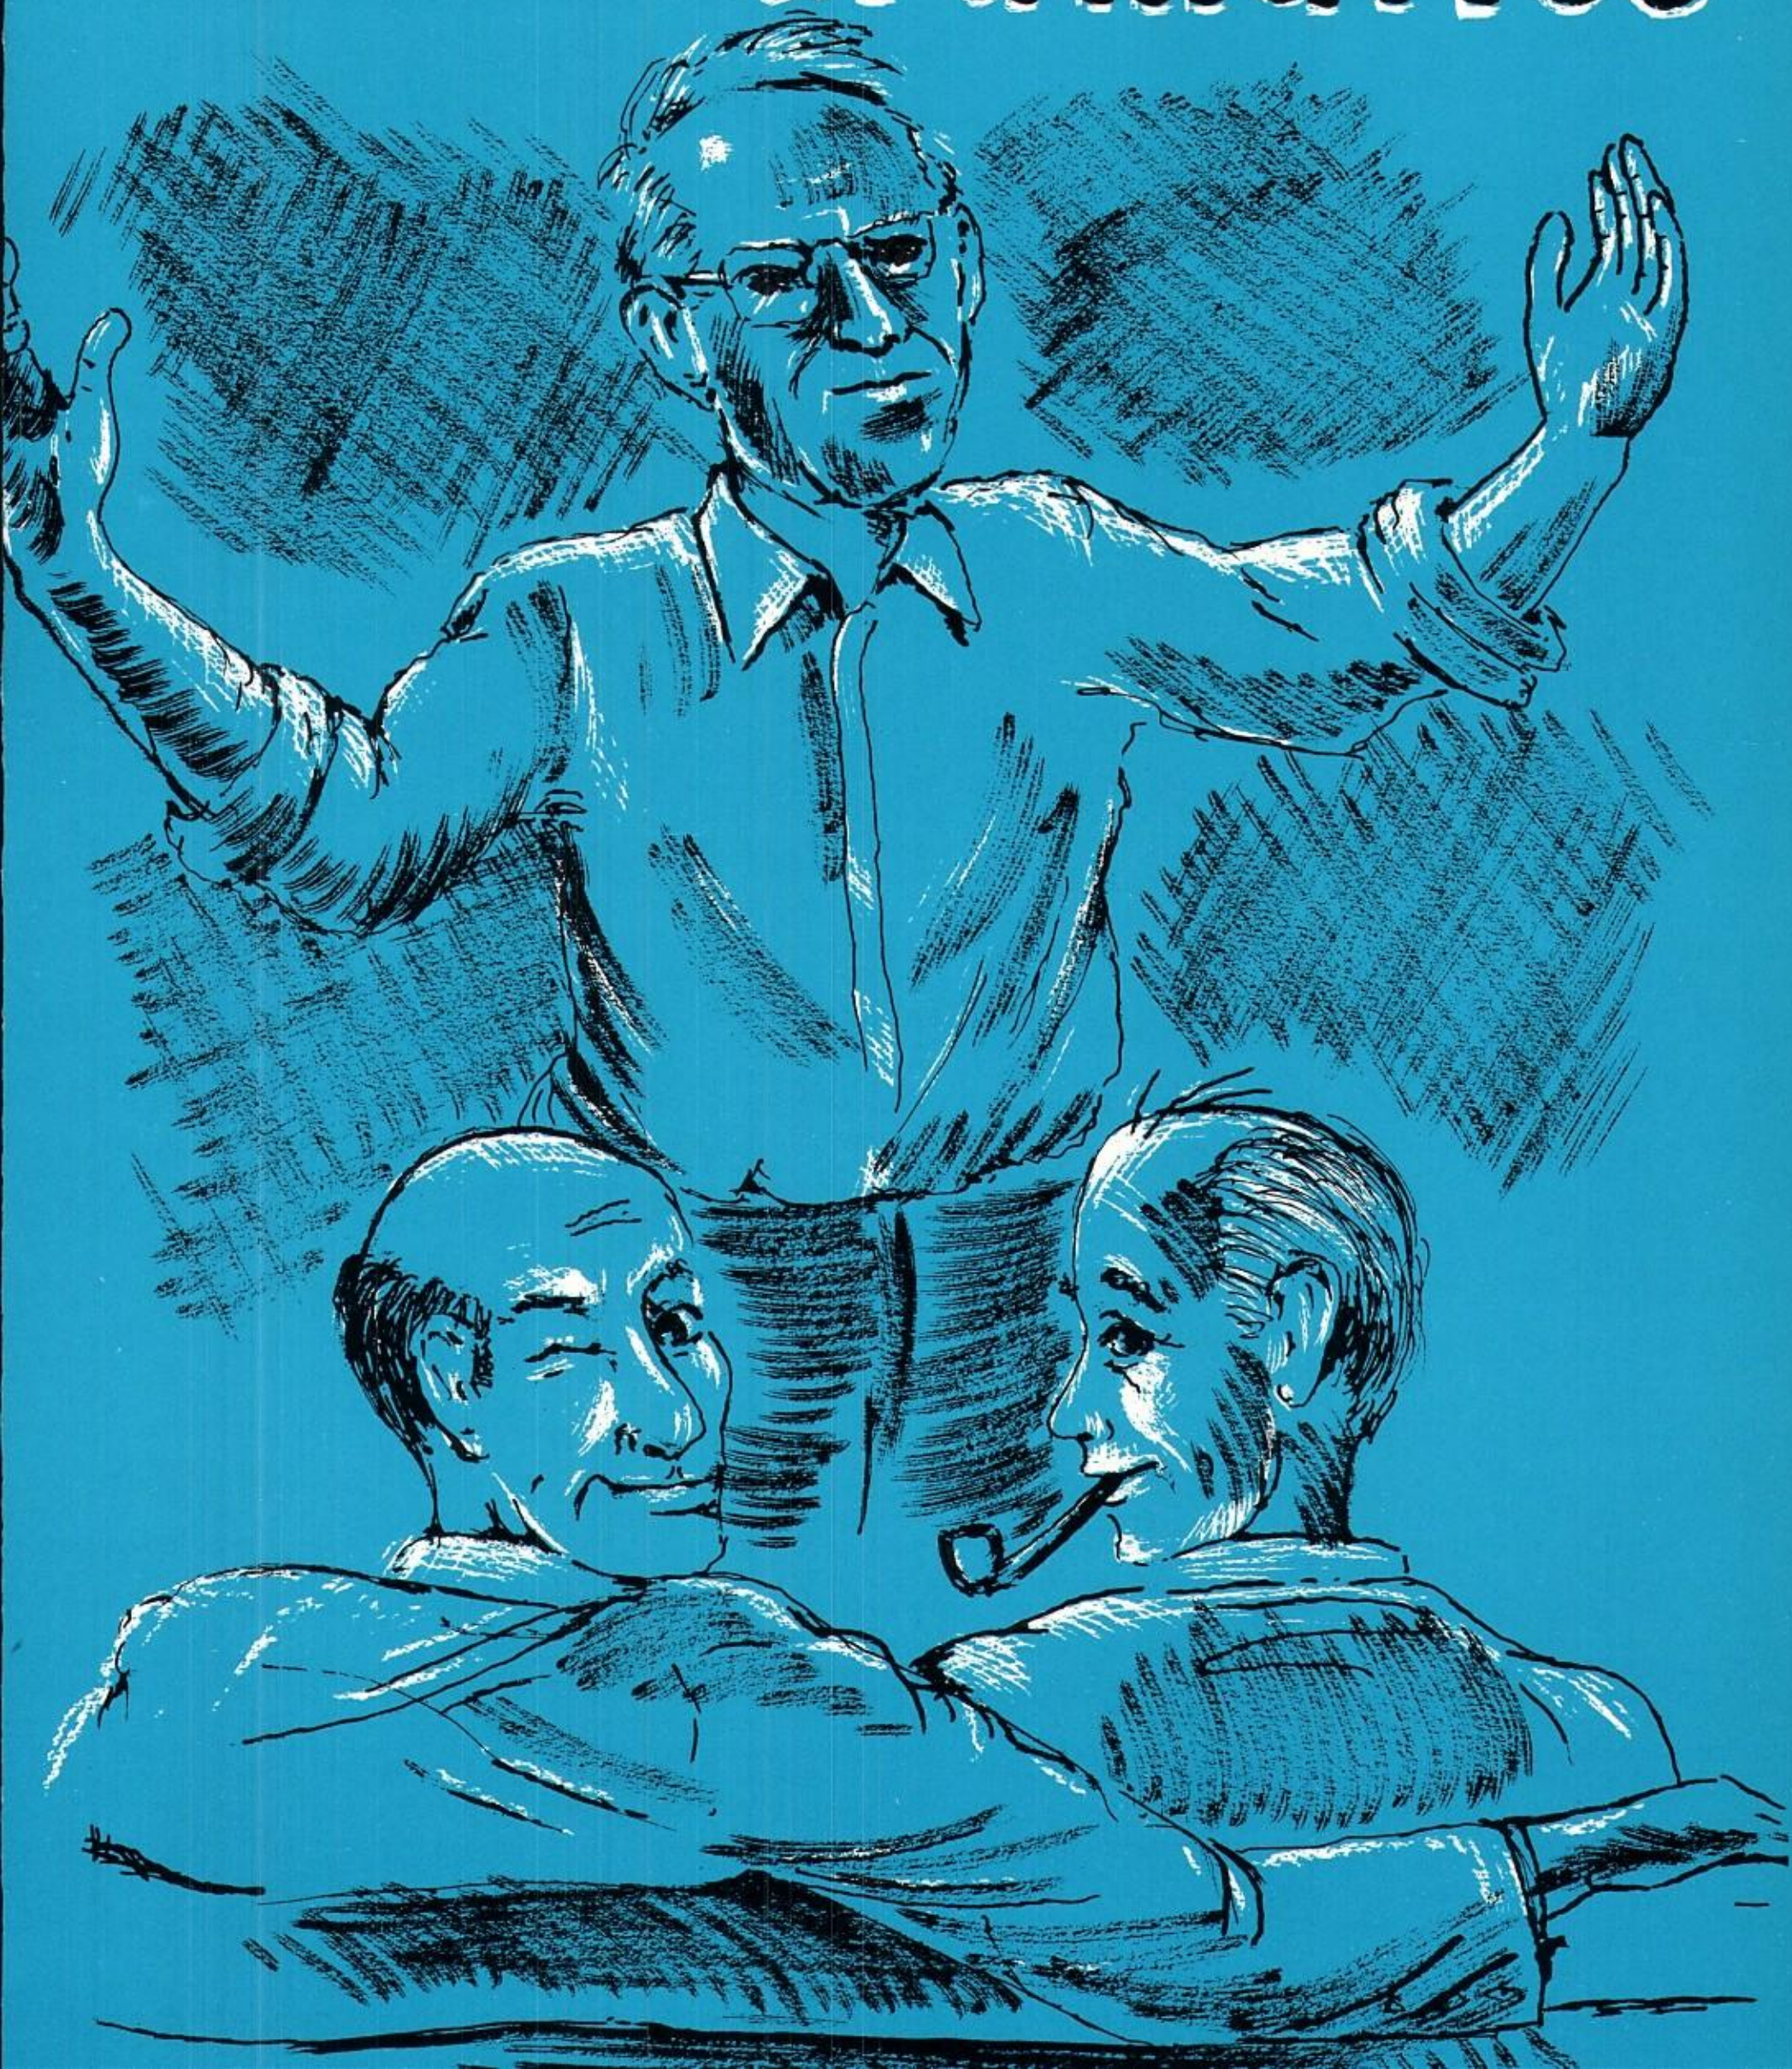

In October, five representatives of the club attended a state regional meeting at Geneseo State Teachers College. On April 12th, the entire club spent the day at Fredonia State Teachers College participating in a Western New York Conference and visiting day. On May 4th, the new officers and the sponsor attended the State F. T. A. workshop at Syracuse, New York.

This year F. T. A. was under the guidance of Miss Essel K. Hegburg, girls' guidance counselor and faculty sponsor, and Mr. Erwin Boje, technical education teacher at J.H.S. and co-sponsor.

The officers for the year were as follows:

President	Karen Leburg
Vice-President	Kay Tolson
Secretary	Karen Spetz
Treasurer	Jacklyn Beckstrom
Historian	Mary Morton

SENIOR CLASS PLAY

The class of 1957 opened the dramatic season at J.H.S. with a theatrical triumph, "You Can't Take It With You." October 25, 1956, was the night on which the curtain rang up on this hilarious three-act comedy by Moss Hart and George S. Kaufman.

Roars of laughter filled the auditorium over the exploits of the wacky, lovable Sycamore family. Martin Vanderhof, the grandfather, played by Stephen Anderson, was forever going to college commencements, as well as collecting snakes and ignoring income taxes. The audience appreciated his funny lines and actions. Diane Pickering, as usual, did a wonderful job of acting as she portrayed Penelope Sycamore, a self-taught playwright who alternated among five plays throughout the action. The role of Paul Sycamore, who was also a little crazy, was played by Robert Rogers. His hobby was making firecrackers in the cellar of the house.

Judy Monfort, the younger daughter, Alice, was the only member of the family with any contact with reality, because of her job with Kirby and Company. The main action began when she became engaged to her boss's son, Tony Kirby, played by Robert L. Nelson. James Miner and Eleanor Stanford impersonated his stuffy parents, Mr. and Mrs. Kirby, who came to dinner—on the wrong night. The resultant confusion as the Kirbys became involved in the Sycamore's colorful pastimes make the scene a high point of comedy.

Other roles were filled by Toby Glover, as the elder daughter, Elsie, who had been taking ballet for eight years from Boris Kolenkhov, a loud, burly Russian portrayed by Frank Hammerstrom; Kolenkhov's compatriot,

the Grand Duchess Olga Katrina, played by Kathryn Peterson; and David Lincoln as Ed Carmichael, Essie's husband, who played the piano and printed revolutionary slogans. Joan Shelgren played the show-stopping role of the slightly inebriated Gay Wellington. Louella Jackson gave a fine performance as Rheba, the maid-of-all-work. When Timothy Backus, as Mr. DePinna, came on stage in his short Roman costume, he "brought down the house." Stanley Lundine was Henderson, a Treasury agent.

The cast and committees did a fine job of meeting the many demands of the complicated script. "You Can't Take It With You" had its share of funny, farcial moments, but the play also contained gentler humor in its characterization of this family of cheerful non-conformists with their happy capacity for enjoying life and each other just as they were.

The play was under the capable direction of Mr. Gordon B. Swanson, social studies and dramatics teacher, with the assistance of Marjorie Hanson, student director. Barbara Fried was bookholder. Darwin Johnston performed the arduous duties of stage manager.

Chairmen of the production committees under Mr. Swanson were these students: Mary A. C. Johnson, properties; Serena Trombino, costumes; and Carol Hansen, make-up. Faculty and student heads of the other committees were the following: Miss Rosella Agostine and Marjorie Hanson, publicity; Miss Hattie Boak and Winston Davis, tickets; Miss Lillian Brink and Diviane Colman, ushers; and Miss Helen Sellstrom and Ann Burstrom, programs.

JUNIOR CLASS PLAY

On February 2nd the class of '58 presented "What a Life" in the J. H. S. auditorium. It was a hilarious comedy delving into just one episode in the whirlwind life of Henry Aldrich. Stephen Olson impersonated the problem child.

In the play Henry had been accused of cheating, throwing ink wells, and stealing. Roger Olson, as Mr. Bradley the principal, did an excellent job of disciplining both the teachers and the students during the ensuing upheaval. Patricia Allison, as Barbara Pearson, added an extra zest to the show by her hysterical crying and laughing scenes while Henry goes into still more trouble. While all the activities on stage sped giddily on, Anthony Vilardo presented a delightful portrayal of a junk dealer, who made one funny remark after another.

Throughout the play, Carole Sprinchorn, playing the efficient office secretary, remained as cool as a cucumber. Thomas Farley did a wonderful job of acting out the part of a very conceited lad named George Bigelow. Even though Henry had a hard time, Mr. Nelson, the vice-principal, played by Sumner Blanchard, was sympathetic toward the unfortunate boy. That was not so, however, with Mr. Patterson, a history teacher portrayed by Richard Carlson. Mr. Patterson had always waited for the day when Henry would be caught cheating on an important examination and finally he was in luck.

To add to Henry's other miseries, Gertie, played by Rosalie Paterniti, turned against him when he refused to buy two tickets from her for a dance. Miss Pike, a biology teacher, impersonated by Diane Taylor, flitted in and out of the office complaining about the heating system in her room, just to add to all the confusion. Of course, someone had to catch Henry throwing ink wells. That was Miss Eggleston, played by Marcia Ingerson. Karen Spetz, as Miss Johnson, a gym teacher, added cheerfulness by coming in with her chipper "good-morning's".

When Mrs. Aldrich, played by Ann Peterson, heard that her own Henry had been caught stealing and cheating, she whimpered and wept. Miss Wheeler, played by Joyce Lindstrom, assumed the position of chief investigator of the crime while Thomas Raffa as Mr. Ferguson, the detective played along with the spring fever stricken Miss Wheller. Bill, portrayed by Loren Carlson, showed his tremendous power of observation as he flew in and out of the office with his messages dealing with the crime.

Under the wonderful direction of Gordon L. Swanson, history and dramatics teacher, and Mary E. Johnson, student director, the show was a complete success.

"BROADWAY ON SECOND STREET"

For the second year in a row, the class of 1958 took first place in the one-act play competition, "Broadway on Second Street." The judges, Mrs. Harvey M. Osgood, Miss Sarah Paterniti, Mr. and Mrs. Stanley Davis, and Mr. and Mrs. Harold Stevens awarded the winner's cup to the junior class which had presented the supernatural play, "The Monkey's Paw."

The winning cast included Richard Carlson as Mr. White, Betty Palermo as Mrs. White, Arthur Cohn as Herbert, Robert Pitts as Major Morris, and Thomas Raffa as Mr. Sampson. Mr. Gordon Swanson was the very able director of the play.

The sophomore dramatic club, Playhouse, arranged the competition which was held in the auditorium on March 30. Besides the plays offered in contest, there was a light-hearted presentation by the sophomores called "The

Villain Still Pursued Her." In the cast were Sam Nalbone, Kathy Beckman, June Howting, and Joseph LaMonica. Sue McVay and Margaret Morgan were the student directors.

The seniors presented "Ile" by Eugene O'Neill. In the roles were Jon Morgan, George Moyer, Richard Olson, Michael Lopriore, and Jean DeMeyere. The ship's crew was headed by James Miner, Terry Johnson and Frank Hammerstrom. Miss Myrtle Paetznick was the director.

The sophomores took second place with their offering, "The End of the Dance" by Hudson Strode. Patricia Verblaw, Thomas Rigoli, Mary Madison, and Bruce Carlson turned in creditable performances in their parts. This play was also directed by Mr. Swanson.

Between acts, members of Playhouse put on various entertaining skits and acts.

N. F. L. PLAY—"MR. ROBERTS"

"Mistah Roberts! Report to the Captain's cabin immediately! That is an order!"

And so it began the nights of May 17 and 18, when the hilarious, yet touching "Mr. Roberts" appeared on the J. H. S. stage. Under the capable direction of Robert C. Wilson, all the reality and boredom of life on a cargo ship, sent far from the fields of battle during World War II, were presented with authenticity.

This ship is not in the midst of battle, the midst of action, or in the midst of anything except humidity, heat, and deserted islands. Commanded by a captain wanting nothing but fame and recognition as an efficient cargo hauler, the crew is despondent. Their one hope lies in Lieutenant (j.g.) Roberts, who has enough of what it takes to talk back to the captain for the benefit of the crew.

Stirring performances were given by Mr. Robert C. Wilson, who presented the abominable Captain as arrogantly and pompously as the role demanded, and Bradley Long as the sincere and lovable Mr. Roberts.

Comedy was aptly provided by David Lincoln, portraying Ensign Pulver, who always conspired against the Captain, but never had the courage to carry out his plots, and Frank Hammerstrom, as Doc, who unceasingly prescribed aspirins for the always-ailing crew. The unique part in the play went to Joyce Lindstrom, who had the only female role as the WAC nurse.

Adding to the presentation were such crew members as Loren Carlson, Anthony Baggiano, Michael Colera, Robert Nelson, Wayne Adams, Timothy Backus, Robert Rogers, James Miner, Charles Harrington, Stephen Olson, and Timothy Skoog.

Other cast members were Gordon Ring, William Crozier, Roger Olson, Richard Moller, William Tangalos, Robert Carlson, Tom Rigoli, Tom Raffa, and Darwin Johnston.

"Mr. Roberts" followed in the tradition set by "Arsenic and Old Lace" and "Stalag 17" by providing J. H. S. with one of the finest dramatic events of the year.

Front: R. Rogers, J. Marlette, R. Carlson. First Row: B. Palermo, A. Peterson, J. Lindstrom, D. Lunetta, P. Tsivitse, S. Peterson. Second Row: P. Allison, J. Johnson, R. Olson, B. Long,

"ON WITH THE SHOW"

"On With the Show" was staged on December 1, 1956 to celebrate the 35th anniversary of Pretenders, the first J. H. S. dramatic organization. Co-starring Bradley Long and Sandra Peterson, this gala musical delighted the audience by offering not only drama but a number of variety acts. These ranged from a primitive dance interpretation to the latest in jazz.

"On With the Show" was written by a student committee and by Miss Myrtle Paetznick, director of the production, and was thus a completely original evening's entertainment. Bradley Long portrayed John Gordon Gregory IV, a young man who was writing a musical. He became so devoted to this work that, when given a choice, he gave up his wealth and family life to complete it. It is at this point that Sandra Peterson, portraying Sally Murray, a poor music student, enters the play. When she and Gregory meet, they experience an immediate liking for each other. On this occasion they sing the beautiful, "Make Believe". As the play continues they fall in love. Gregory's play, meanwhile, is produced, and when it becomes a success, he is again recognized

by his family. This happy ending closes a very entertaining production.

Other important roles were played by Marjorie Hanson as Fiona, Priscilla Tsivitse as Mrs. John Gordon Gregory III, Richard Olson as Mr. John Gordon Gregory III, Richard Carlson playing Mac, and Joyce Lindstrom as Mitzie.

Other cast members included the following: Jean Marlette, Jane; Ann Peterson, Jocelyn; Donna Lunetta, Evelyn; Patricia Allison, Vivien; Diane Pickering, Peggy; Karen Spetz, Nora; Charles Harrington, Brian; Steve Olson, Keith; and Ted Butler, pirate leader.

Specialty numbers were presented by Anthony Hawthorn, Louella Jackson, Sandra Peterson, Bradley Long, Laura Whipple, Marcia Ingerson, Brenda Francis, Jackie Hamrick, Robert Pitts, Sue Swan and Joyce Lindstrom. Pianists were Geraldine Fahey and Suellen Strong.

Miss Paetznick's generosity with her time and hard work made the success of "On With the Show" possible and earned her the gratitude of everyone connected with the production.

PRETENDERS

Pretenders, the junior-senior dramatic organization of J.H.S. under the supervision of Miss Myrtle L. Paetznick, has had a busy schedule this year.

On November 30th Pretenders celebrated its 35th anniversary as a J.H.S. organization. On December 1, Pretenders presented their production for the year, "On With The Show". This musical, written by Pretenders' members, was a great success.

The Pretenders helped Key Club this year in the Teenage March on Polio by having members sell lollipops to "lick polio". The lollipop salesmen worked in their own neighborhoods as well as in the downtown area.

The month of March was "International Theatre Month". It is observed by the dramatic

organizations of colleges, high schools, churches, and children's theaters throughout the United States and is aimed toward the advancement of dramatics in our country. On March 21st, Pretenders had a meeting in honor of International Theatre Month to which Spanish Club and French Club were invited.

Several members of Pretenders participated in the Playhouse one-act-play competition, "Broadway On Second Street". Throughout the year, a variety of weekly programs, including skits and dramatic readings, were presented by various committees at Pretenders' meetings. In the final meeting, Playhouse members in good standing were inducted into Pretenders for the coming year.

PLAYHOUSE

Playhouse, the sophomore dramatic group, has had a very busy schedule this year. Every Monday afternoon, the group studied the elements of dramatics under the supervision of Miss Myrtle Paetznick, faculty advisor.

The members first showed their theatrical abilities when they were asked to participate in the mob scene in the Passion Play held in October. This served to familiarize the group with drama at its best.

At each meeting, different Playhouse members dramatized the principles of tragedy, comedy, and pantomime. These were shown at various programs which made the meetings more interesting and worth-while.

Every Friday afternoon Mr. Gordon Swanson, dramatics teacher, held classes in stage make-up for Playhouse members. The girls who participated explained their knowledge, in turn, to the group. Models from the group

were used for the demonstrations of the correct use of make-up.

The biggest project which Playhouse undertook this year was the presentation of "Broadway on Second Street" on March 22. The production, which is sponsored by the group each year, is a one-act play competition among the three classes. From the plays, a winner is chosen and awarded a handsome trophy by a panel of judges. The sophomores also provided the entertainment between the three plays. March 30 was truly a night of dramatic entertainment for all.

In December, the group kept the Christmas spirit alive by sending a "Care" package to a country in need. The group's Christmas party was held on December 17 in place of the regular meeting. The members all joined in holiday singing which made the party more enjoyable for all.

THESPIANS

The days of May 2, 3 and 4, were the most important days of this year for the Jamestown High School Thespian Troupe No. 364. Accompanied by Miss Myrtle Paetznick, Thespians' sponsor, and Mr. Gordon Swanson, social studies and dramatics teacher, the Thespians attended the New York State Thespian Conference at Alfred University, in Alfred, New York. Thespians from all over New York State participated. Several plays were presented by high school Thespians. Jamestown High School presented the one-act plays, "Smokescreen" and "Seven Women". Taking part in "Smokescreen" were Kathryn Peterson, Anthony Baggiano and Robert Rogers. Richard Olson, Eleanor Stanford, Mary Root and Robert Rogers portrayed the characters in "Seven Women." At Alfred University, a formal induction took place with Jamestown Thespians taking part.

Membership in Thespians is dependent upon one's service in the field of high school dramatics. Acting, production, play-reading and selection, and costuming, all are part of dramatic work. Membership in a national Thespian honor society is the reward for the effort expended and the long hours given in service.

An informal induction was held at the meeting on February 6, 1957. At this time sixteen seniors who had taken active part in dramatics were inducted. Another informal induction was held in May, in which some juniors became members. Several supper meetings were held during the year. The officers for the past year are these:

HYPATIANS

Hypatians, the girls' public speaking organization, has kept itself on the map during another busy year by its varied activities. This club has struck a happy balance between informative programs and enjoyable social events.

Before elections in November, Mr. George Sharp spoke on partisan and non-partisan election systems. As the program for one fall meeting, some Hypatians members gave summaries of past news events over the public address system. Miss Beatrice Eckberg, head of the High School Language Department, explained a portion of her South American trip and showed some very interesting slides in another program. Hypatians has had several other excellent speakers, and has presented programs which increased the members' speaking abilities as well.

Hypatians had two nickel suppers this year, for a special purpose. They were put on for the casts and crews of "You Can't Take It With You" and "What a Life".

In February an important change came in the usual procedure of Hypatians. It was voted to have two program meetings a month with Lyceum, the boys' organization, and two separate business meetings monthly. This innovation enabled the organizations to have excellent programs.

Hypatians carried on some of the traditions this year, along with the new things tried. The group had a bake sale, a Hallowe'en tea, a Christmas party, a traveling supper and a party with Lyceum. It also helped with the N.F.L. production, "Mr. Roberts", which was directed by Hypatians' faculty advisor, Mr. Robert C. Wilson.

This year's meetings made seventh periods on Wednesdays fun for Hypatians' members as they tried to uphold the feminine side of the action at J.H.S. The climax of the year was the senior banquet in June.

The officers during the year were the following:

Mary A. C. Johnson	 President	 Kathryn Peterson
Kathryn Peterson	 Vice-President	 Sharon Carney
Kay Albinson	 Secretary	 Renetta Larson
Barbara Fried	 Treasurer	 Carolyn Nelson

LYCEUM

Lyceum, the male debating organization at J.H.S., has completed a most successful year. Under the guidance of Mr. Robert C. Wilson, faculty sponsor, Lyceum completed many worthwhile activities.

A major change in the procedure of the organization was the merging of Lyceum with Hypatians for two program meetings a month. Each club had its own business meetings. Because of this plan, members of both could enjoy varied and excellent programs, while the two speaking groups retained their separate identities and projects.

During the football season, Lyceum sponsored a dance before one of the big games. Before the dance, Lyceum members led a parade through town, which was followed by a pep rally on the campus. The dance provided everyone who attended with an enjoyable evening. The

money from the football dance was given to the Athletic Fund for the purchase of a new score board.

Other activities of the year included the annual party with Hypatians. Singing, dancing and refreshments were enjoyed by the members.

Among the other good times enjoyed by Lyceum was the hayride with Hi-Y and the roller-skating party with Hypatians. Lyceum assisted in the production of the comedy, "Mr. Roberts."

At many of its meetings, Lyceum had well-known Jamestown citizens as speakers, such as Dr. Carlyle C. Ring, Superintendent of Schools, and Mr. Wallace Oldstrom, who spoke on his year abroad.

At the close of the year Lyceum had its annual banquet. Everybody attending found it to be the high point of the year's program.

The officers of Lyceum during the year were as follows:

Bradley Long	President	Bradley Long
Richard Olson	Vice-President	Loren Carlson
Loren Carlson	Secretary	Steve Carlson
Thomas Raffa	Treasurer	William Tangalos
Steve Carlson	Parliamentarian	Charles Pitts
Theodore Butler	Sergeant-at-Arms	Charles Harrington

"Point of order, Mister Chairman. Can the members of the negative team support their statements with reliable quotations?"

"Certainly, we have the quotes right here, but first we would like to know if the members of the affirmative team can back up their plan with a few facts."

With these words, the J. H. S. debaters began another successful season of arguments, refutation, and cross-examination, this year on the controversial farm problem. The topic was: Resolved: that the federal government should sustain the prices of major agriculture products at not less than 90% of parity.

J. H. S.'s debate prowess was felt all over the state as debaters took top places in the three tournaments held last fall. Both A and B teams placed first at the Oswego and Hamilton tournaments, and the A team tied for first place at Jeffersonville.

In February the A team traveled to New York City for two consecutive weekends for the New York University Hall of Fame Tournament, placing in the top 16 out of 64 schools. The B team entered the St. Michael's International Tournament in Toronto and tied for first place. Debaters also entered in extemporaneous speech, original oration, and humorous declamation. Jamestown qualified in all three divisions for the Albany State College Tournament at the Genesee State Teachers College Regional Tournament. During the year, debaters participated in inter-school debates with Canisius, Aquinas, Meadville, Frewsburg, and Bradford.

Debate is not all debating, as members of the club proved by attending sessions of the Student Congress, and entering such contests as the "I Speak for Democracy" and American Legion events. Debaters also spoke at many of the city's P. T. A.'s and local clubs during Education Week.

Varsity Debate sponsored Shakespeare's "Twelfth Night", presented by the Allegany College Playshop, and "Mr. Roberts", directed by Mr. Wilson, which proved to be one of the dramatic highlights at J. H. S.

The Albany State College Tournament and the State Forensic League Tournament at Syracuse ended a very successful year, with debaters entering in all major divisions. J. H. S. also held its own Tri-State Tournament early in May.

Of course the success of a debate squad is only partly due to the debaters themselves. The most important part is the coach, and debaters this year, as in past years, have felt themselves fortunate to have as a coach and leader, Mr. Robert C. Wilson.

Mr. Wilson had these officers assisting him:

President	Bradley Long
Vice-President	Marjorie Hanson
Secretary	Katherine Karr
Treasurer	Loren Carlson
Debate Managers	Diane Pickering Stanley Lundine

HALL DEBATE TEAMS

Seated: Diane Pickering, Loren Carlson, Marjorie Hanson. **Standing:** Robert Rogers, Richard Carlson, Arthur Cohn.

CHARLES E. HALL DEBATE

In 1921 the president of Lyceum and an outstanding member of the Senior Class, Charles E. Hall, passed away. In memory of their son, Mr. and Mrs. Frederick P. Hall decided to sponsor an annual debate between the junior and senior classes. The speakers for each class were to be chosen on their poise, general manner of presentation, and their ability to speak on a given topic. This year's tryout topic concerned the admitting of Alaska and Hawaii as states by Congress.

Now in its thirty-fifth year of intense rivalry

between the juniors and seniors, the Charles E. Hall Debate will be held early in June. As the yearbook goes to press, the subject has not been chosen. Upholding one side of this question will be the senior team of Marjorie Hanson, Diane Pickering, and Robert Rogers. Their opponents from the junior class will be Loren Carlson, Richard Carlson, and Arthur Cohn.

This exciting and intense debate will climax the debating activities at J.H.S. for 1956-1957. Who will win the coveted silver trophy? Come to support your class and see the result for yourself.

When it was too late to retake the picture or revise copy, a necessary change was made in the junior team. The team ultimately consisted of Loren G. Carlson, Arthur A. Cohn and Charles C. Harrington.

RESIGNATION AS DEBATE COACH

Mr. Robert C. Wilson

For twenty-eight years, Mr. Robert C. Wilson has coached a very active debate organization here at Jamestown High School. It is with sincere regret that students, both past and present, take note of his resignation from the activity he has served so tirelessly. To "Wils", an inspiring teacher, go best wishes for success and happiness in his new position of vice-principal. We know that his many talents, his keen sense of humor, and his dedication to his profession will be used, as always, in the best interests of the school and its students.

A'CAPPELLA

The Jamestown High School A'Cappella Choir had another successful year in J.H.S. In their traditional red and white robes the choir members began their season by singing for the Chautauqua County Teachers' Conference on September 28.

The Music Department, including the A'Cappella Choir, acted as host to the All-State Music Festival on November 16 and 17, with some four hundred students from Western New York attending. This was a large undertaking, but all of the choir helped to make it a great success.

Of all the appearances of the choir, those made at Christmas time will always be outstanding in the minds of its members. The choir sang for several service clubs and organizations in the two weeks preceding Christmas. According to custom, the choir held three vesper services at the First Presbyterian Church, with capacity audiences. Marching to the well-known procession "Kyrie Christy", the choir brought back many memories to its alumni, and increased the spirit of Christmas for its faithful audience.

Perhaps outweighing all of the other memories of the choir are the fifth period rehearsals in which all of its

members have worked hard, trying to achieve their best. None of this could have been done without the director, Miss Ebba Goranson. Her conscientiousness and sincerity in the choir's work have made her a true friend to each and every member of the organization.

As in the past, the choir decided to "pack up" for a trip, and this year's planning led the singers to Chicago, where they made three appearances. In order to make this trip each member of the choir backed the sale of the "World's Finest Chocolate". To conclude another busy year the choir had its spring concert in May and will sing at the Baccalaureate exercises on June 23.

A great deal of credit and many thanks for another "banner year" of the A'Cappella Choir go to the following officers:

ORCHESTRA

This year, our orchestra was not large, but it is expected to increase in size because many students in the grade schools are being taught to play the various orchestral instruments. The group has worked very hard this year under the able direction of Mr. Russell Johnson. It practiced from 2:15 until 4:00 every Tuesday and Thursday.

Our orchestra began the year as a full group and continued to induct new members, making it possible to present a satisfactory and well-rehearsed group before the end of the first term. The orchestra's first appearance was made at an assembly in Jamestown's Persell School. The members have also presented programs at other schools. Several outstanding participants worked with the Regional All-State Orchestra in Jamestown during the month of November. Some of the violinists went to a musical workshop in Buffalo where they had the experience of rehears-

ing and playing a concert with the personnel of the Buffalo Philharmonic Orchestra.

During the second term, the orchestra produced and played in a concert called "Orchestra Night". This was something different in that it consisted of presentations by our own orchestra as well as by a combined group of high school and junior high school students. The orchestra performed at the Fredonia Festival. It not only went there as a unit, but members performed as individual soloists. Most of the orchestra will appear in the Chautauqua County Festival in June.

Outstanding soloists in the orchestra were Winston Davis, first violinist, and Stanley Curtis, pianist, who played individual concerts in addition to their solo work with the orchestra. Winston Davis and William Boerst were chosen by state judges to take part in the All-State Festival in Syracuse last fall.

BAND

The Jamestown High School Band, under the direction of Mr. Charles Jacobson with assistant directors, Mr. Frank Smeragliuolo and Mr. Vincent Mallare, music instructors, received some well deserved recognition from the student body for its work on the football field this fall. The stirring music and varied formations added much interest to the colorful scenes of the games. Drum Major Allen Holmstrom and Assistant Drum Major Donald Gaeta helped to make the half-time shows a great success. The band appeared at all home games, as well as at games at Warren, North Tonawanda, and Olean. The band began its activities early this year when it appeared at parades in North East, Dunkirk, and Jamestown. Another annual affair during this season was the "Band Tag Days", aided by the music of the Jamestown Municipal Band. This raised money for several new band instruments.

Then, as the weather turned colder, Band settled down to the coming challenge of the concert season. One of the first engagements on the agenda was a concert for the Teens against

Polio drive. As a result of this event, \$400 was donated to the polio fund. The band presented assembly programs at each of the junior high schools and at J.H.S. The group also appeared at Erie East High School in Erie, Slippery Rock State Teachers' College, and Butler High School in Pennsylvania. Highlights of J.H.S. activities were the traditional Spring Concerts, held on April 6 and May 25.

The band planned and carried out the plans for a concert tour and sight-seeing trip to Washington, D. C., during the spring recess in April. Several appearances were made en route, including a stop-over at Pittsburgh. The climax of the trip was the three-day stay at Washington. This activity will stand out in every band member's mind as a high point this year.

An appearance at commencement exercises will bring to a close another full season of band activities.

Every band member realizes that this wonderful program could not have been accomplished without the able leadership of our band director, Mr. Jacobson.

DANCE BAND

The Jamestown High School Dance Band, under the expert direction of Mr. Frank Smeragliuolo made definite progress this year. The group has many new arrangements featuring a modern sound.

The group this year is different from the former "Rec" Band in that it is made up of our concert band members exclusively. This makes for a better sound coming from experienced, versatile musicians. The dance band members wear the traditional red and blue Band uniforms during their appearances.

The ensemble played for various school club dances and for the March of Dimes talent show. It also appeared in the annual Spring Concert in April and furnished music for a dance spon-

sored by the concert band. The swing group took part in a talent assembly on March 15.

This band rehearsed every Thursday between 3:00 and 4:30. A new sound was put into effect as the group featured contemporary arrangements by Art Dedrick. These scores were especially arranged for high school bands, making possible the production of a pleasing style of music within the limited practicing time. Music by Les Saunters and older stocks were also used. Certain numbers such as "Little Brown Jug", "Prom Jump", "Swing Low Sweet Chariot", "Serenade to a Wild Rose", "Laura", "Harlem Nocturne" and "Dark Eyes" were used extensively for dances.

The dance band must be complimented for doing a splendid job this year under the excellent supervision of Mr. Smeragliuolo.

CROSS-COUNTRY

The 1956 J.H.S. cross-country team made a great improvement over that of 1955, although Larry Huston was the only returning letterman.

The first meet of the season was held at Portville. J.H.S. was beaten by Portville, 34 to 21. The next meet was at East Aurora where J.H.S. came in eleventh. We then suffered another defeat at the hands of Gowanda, 37 to 19. In a triangular meet with East Aurora, Hamburg, and Jamestown, our squad came in second. The results were East Aurora 80, Jamestown 34, and Hamburg 28.

In the Sectional Meet at Buffalo, Helmut Walker came in with the first ten out of a hundred some boys. The other six men who went to the sectionals were Larry Huston, Steve Bishop, Bob Herron, Paul Foster, Bill Burk, and Art Mitchell.

Cross-country runners who earned letters in 1956 were Steven Bishop, Robert Herron, Helmut Walker, and Paul Foster.

The outlook for 1957 looks very good to cross-country coach, Mr. Rolland Taft.

TRACK

The J.H.S. trackmen came through the 1956 season with a fairly good record. In their first outing, they came in first in a dual meet with Dunkirk at Dunkirk. Next they beat Fredonia 47 to 37.

In one of the thrilling meets of the season the runners tied Corry at $47\frac{1}{2}$ to $47\frac{1}{2}$. An interesting fact about this meet was that Corry did not run any hurdles during the whole meet, which is very unusual in track competition. We suffered defeat, however, at the hands of our rivals, Olean.

At Dunkirk, Jamestown again placed first, as it did last year, in the county track meet. Jamestown placed ahead of Fredonia, Dunkirk, Southwestern, and Falconer. In the Sectional Meet J.H.S. placed fifth among eight schools competing.

Mr. Rolland Taft, coach of the trackmen, predicts a very successful season in '57, there being nine lettermen to return for this year's team. They are Sam Armele, 220; Tony Baggiano, 880; Richard Day, dashes; Bob Dickey, 220; Bob Her-

ron, 440; Art Mitchell, 440; Frank Scarpino, 100 and 220; Larry Huston, mile; and Wyman "Rock" Ansley, shot and discus. Mr. Taft also has a good group of juniors including Joe Aversa and Tom Bjers, 880; Dick DeVita, 220; Joe Enserro, shot and discus; Richie Mole, shot and discus; Ron Mohr, mile; Kent Nordwell, 880; Pat Pacitti, mile; and Sam Trass and Tony Vilardo, hurdles.

BASEBALL

The 1956 Red Raiders, under the coaching of Mr. Allen F. Ayers, J.H.S. faculty member, won their second sectional title in a row, after completing a 9-1 Lake Shore League schedule. After losing to Dunkirk in the first game of the season, the team went undefeated the rest of the way.

The team's pitching duties were shared by Dick Allen, Brian Anderson, Jon Freling, and Dick Jeziorski, who made the team almost invincible. Dick Jeziorski led the team with a .412 batting average, followed by Clair Hammond with .409, and Dick Allen with .407.

Dick Allen highlighted the season by pitching a pair of 1-hitters, one in regular season play against Fredonia, the other in the bi-county playoff against Olean.

The win over Olean gave the Raiders their third successive bi-county pennant. The game was highlighted by Allen's one-hitter. The Raiders clinched the game in the seventh by scoring three runs. The Raiders put men on second and third after a single by Allen and a walk by Clair Hammond. After a double steal Allen scored on a wild pitch and Jeziorski went to first on a passed ball. Brian Moynihan then sent both runners home by a single. The final score was Raiders 5, Olean 0.

The Raiders ended the 1956 season with a 8—2 win over North Tonawanda in the sectionals. The game was iced in the 7th inning by a three-run homer by Dick Jeziorski, with Brian Anderson and Clair Hammond on base after singles. Brian Anderson started the game and got the win, after relief help from Dick Allen. He was supported with ten hits.

Coach Allen Ayers is to be congratulated for leading his team to this success against such difficult competition.

SWIMMING

Jamestown High School's newest varsity sport, swimming, is now established on a firm footing. The team showed a great improvement over last season's record. Of the ten meets scheduled, Jamestown was victorious in eight.

The team uses the facilities of the Y.M.C.A. for its practice and for home meets. It is under the direction of Coach C. Richard Bower, Physical Education Director of the Y.M.C.A.

Several strokes are used in competition. They include the freestyle, butterfly, dolphin, backstroke. Diving is another important event. Points are awarded for first, second and third placement. First place receives five points; second, three; and third, one point.

Edward Bauer, team captain, led in individual points with $79\frac{1}{4}$ points. Dave Erickson, a sophomore, was second with $54\frac{1}{2}$. The records of the rest of the team went as follows: Kent

Nordwall, 53; Forest Corey, $51\frac{1}{2}$; Robert Nelson, $42\frac{3}{4}$; Roger Hager, $34\frac{3}{4}$; Richard Bonnett, $32\frac{3}{4}$; Donald Guarnieri, $30\frac{1}{4}$; Angelo Alaimo, 24; Tony Lopriore, 23; Pat Cannan, 19; Jim Mason, $14\frac{1}{2}$; John Watkins, $8\frac{1}{2}$; Harold Smith, 7; John Wennberg, 6; and Manager Steve Bishop, $1\frac{3}{4}$.

The team will lose four swimmers this year, but will be even stronger in the 57-58 season, because of the experience gained by the sophomores this year.

BASKETBALL

The 1956-57 basketball team turned in an outstanding season. The cagers won fourteen games and lost only four. The first clash of the season saw Jamestown defeat Cassadaga Valley, 60 to 40. They then traveled to Erie Academy to be beaten by 8 points, 50 to 58. The next game, with Falconer, Jamestown won by a score of 66 to 52. They then took a defeat at the hands of Warren, 68 to 75.

The Raiders then took the next four contests, beating Dunkirk, 62 to 50, Fredonia, 43 to 37, Gowanda, 54 to 47, and their arch rival, Southwestern, 58 to 37. This also marked the first time that Jamestown has beaten Southwestern in their new gymnasium. The Jamestown Cagers then played host to Erie Strong Vincent and lost another close game, 54 to 57. The hoop men then beat Cassadaga for the second time, 65 to 58. The team then lost at Olean in a heart-breaker, 58 to 64, after leading by thirteen points at the half.

The Jamestown High School Cagers then went on a tremendous winning streak of 7 games to end this year's campaign. During this series they beat Bradford who had not previously lost an away game all year. The victories were won by the following scores: Falconer 52, J.H.S. 69; Bradford 42, J.H.S. 57; Dunkirk 48, J.H.S. 72; Fredonia 51, J.H.S. 55; Warren 52, J.H.S. 54; Gowanda 50, J.H.S. 56; Southwestern 58, J.H.S. 66.

The J.H.S. Cagers defeated Olean 56 to 35 for the

Bi-County Playoff. This win meant that Jamestown was to represent the triple A school from this area at Buffalo for the sectional playoffs. Jamestown was beaten by Amherst at the Sectionals 51 to 83. An important fact about this club was that they had a record of 56 wins out of 57 games and had a string of 39 straight victories before beating Jamestown.

Some of the outstanding players of this year's team were "Bobo" Hunter, Sam Battaglia, and Wyman Ansley. "Bobo" Hunter and Sam Battaglia were chosen for *Post-Journal's* "Dream Team."

Mr. Taft who has been Jamestown's head basketball coach for 19 years had to give up this year's team because of his health. Though he did not want to give up, his doctor and everybody who know him personally thought it would be the best thing for him. Walter Colburn, head football coach, took over the duties of basketball coach and has done a great job coaching the team to the Sectionals. Our hats are off to you, Mr. Colburn.

Mr. Colburn and Mr. Taft both predict another great basketball season for J.H.S. in the 1957-58 season, with such players as Lefty Tsitso, Chuck Dilts, Bruce Hagadorn, Pat Mulleavy, Peter Robinson, and Larry Green returning.

The JayVees also turned in a great season under the coaching debut of Mr. Donald Peterson, mathematics teacher at J.H.S. They won 14 and lost 2.

RESIGNATIONS OF BASKETBALL COACHES

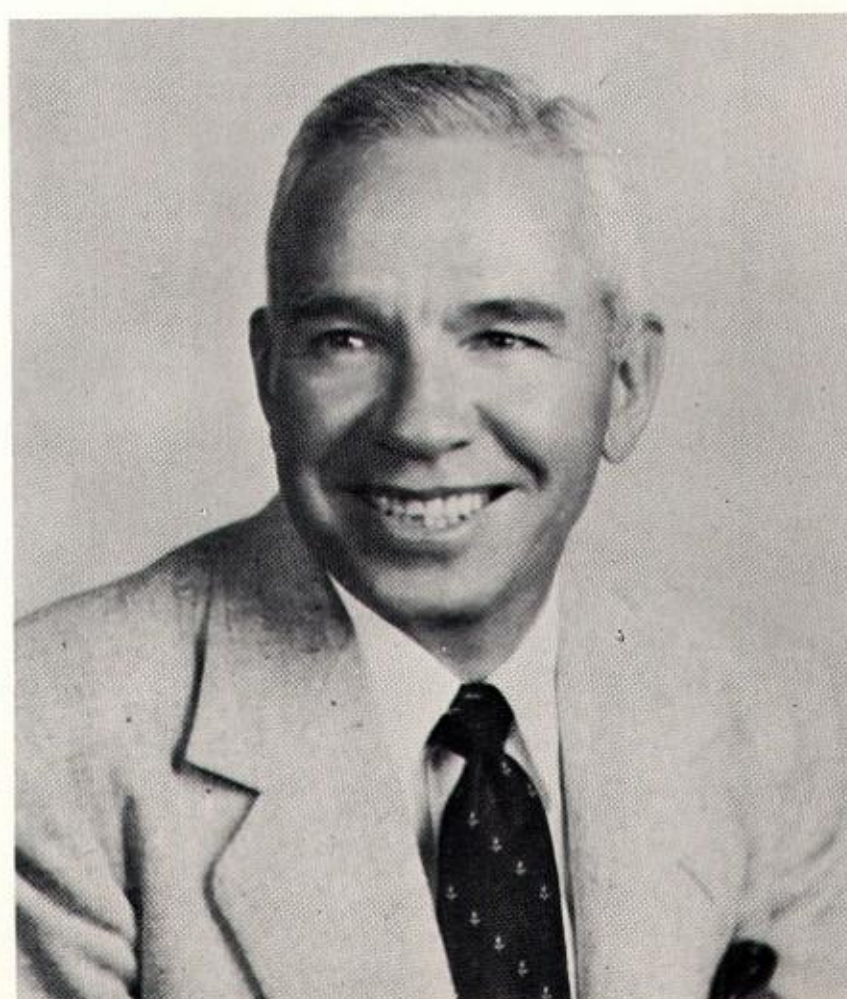

MR. ROLLAND H. TAFT

With Coach Taft's resignation as head basketball coach at J.H.S. comes, as one sports writer put it, the end of a golden era. There have been times of heart-warming victory and times of defeat, but always there has been the coach's pride in his team and his constant inspiration to his boys.

Though Mr. Taft coached some extraordinary teams, he prefers not to mention any special ones. The best part of the experience was, he says, that there was a molding of friendships, a personal satisfaction in development, both physical and moral, that cannot be acquired in the classroom. May the success that came to Mr. Taft as coach be his in his new position of vice-principal.

MR. ALLEN F. AYERS

Coach Ayers has spent many an hour patiently drilling the fundamentals of basketball into the sophomore teams. He has developed scrappy, skillful players and started many a green ball handler on his way to the varsity. The vitality and common sense Mr. Ayers possesses has served the game of basketball every day he coached. Now that he has decided to resign his coaching of the game, his one regret is that he cannot pass along his experience. We'll miss seeing you on the bench, Coach.

FOOTBALL

Using the T-formation for the first time, Jamestown High School's Red Raiders fought their way to an even 4-4 season under the expert coaching of Walter Colburn, who was assisted by Allen Ayers and Harold Rubens.

The Raiders started off on the wrong foot by dropping their first two games. Despite fine running by Clarence "Bobo" Hunter and excellent defensive work on the part of Wyman Ansley, Jamestown could not overcome the handicap of several fifteen yard penalties in losing the opener to LaSalle of Niagara Falls by the narrow margin of 12 to 6.

Before Erie Cathedral Prep came to town this year, the Red Raiders hadn't lost their first two games since 1947. However, a big, hard-charging, bruising line spelled the difference as the Erie Prep eleven fought to a 13-0 shutout victory.

After the third game, against Trott Vocational of Niagara Falls, there was every indication that the Raiders had successfully completed their switch-over single wing to T-formation as Trott was forced to bow to a 32-6 score.

The Raiders then made it two in a row by smashing Dunkirk 26-0. The outstanding offensive play was Dick Mole's punt return from his own 48 all the way to pay-dirt.

The "T-Men" from Jamestown High dropped their next two games. The first one, a heart-breaker in which three Jamestown touchdowns were called back, went to North Tonawanda by the score of 14-13. Coach Colburn, however, was not disappointed with his boys, since he truly believed that they outplayed the visiting eleven in very respect. The next game, a 28-7 loss at the hands of Olean, wasn't so close but it was equally hard

fought in what assistant coach Allen Ayers called their "worst off-night of the season."

In their next game, the Red Raiders entered the second half at the bottom end of a 12-6 score, but managed to pull out a 26-18 victory over Kenmore's Blue Devils in a thrilling game. The Raiders were shocked into action in the third quarter by a 79 yard kickoff return by Tony Baggiano for a touchdown, putting Jamestown out front by a 13-12 score. From then on it was Jamestown all the way with Dick Jeziorski scoring two touchdowns.

The fully seasoned Red Raiders were then ready for the traditional final game with the Warren Dragons. In this annual climax to the football season, the Raiders literally had a "T" party as they handed Warren a 28-0 defeat, the worst beating that team has taken from Jamestown in fifteen years. Tom Sharp's two touchdowns paved the way to the lop-sided victory.

Pat Smeragliuolo and Tom Sharp were the co-captains of the Raiders. Pat was the backbone of the defense, being in on many of the tackles and playing his hardest all the time. Tom was continually the sparkplug of the offensive drives, with his fine running and passing. Tom was also the leading scorer for the 1956-57 season.

J-CLUB

J-Club was started, under the careful guidance of Mr. Harold Watson, in the early 1920's. It has developed from a club of very few members to a strong organization with over 40 members. With J-Club's larger membership, it strives to maintain its principal aims which are to promote interest in athletics and to improve school spirit.

When the beloved "Doc" Watson retired, Mr. Howard P. Wiquist was appointed as faculty advisor. Mr. Rolland H. Taft, who is the present faculty advisor, was named to that position when Mr. Wiquist became athletic director in Jamestown schools.

Last year interest lagged and as a result, J-Club did not function, much to the disappointment of Mr. Taft. Last September some former members caught Mr. Taft's enthusiasm and by November the club was back in existence.

In the line of service to J.H.S., the J-Club sold football and basketball programs. It also sponsored an assembly program. J-Club is in the process of establishing a standard school jacket for boys and girls, which would be available to any student of J.H.S.

Still in the discussion stage is the idea of a school camp project. J-Club has a number of possible sites in mind. If this were built, any club or organization of J.H.S. could avail itself of the privileges offered by the camp.

Membership into J-Club can be attained when a student of J.H.S. earns a varsity letter. These letters are given in football, basketball, swimming, track, cross-country, and golf; to the managers of these sports, and to the cheerleaders.

Officers for this year were as follows:

President	Clarence Hunter
Vice President	Thomas Sharp
Secretary	Elaine Anderson
Treasurer	Patsy Smeragliuolo

CHEERLEADERS

Many a muscle was aching after cheerleading tryouts during the first three weeks of school. Under the guidance of Miss Gretchen Sander, the physical education teacher, the prospective cheerleaders practiced until they had the coordination and strength that is required for this strenuous activity. The day that all of them had been waiting for arrived, too early for some, but not soon enough for others. Chosen were Elaine Anderson, Maxine Ettelson, Carol Bemus, Marcia Ingerson, Karen Spetz and Sue Nelson for the varsity squad. The Junior Varsity included Carol Carlson, Pat Allison, Brenda Bloomquist, Jo Ann Munella, Daisy Cady and Barbara Lamb.

The cheering squads chose Wednesday for their regular practice day. On these days, time and hard work were devoted to cheers. Working over the rusty spots and aiming for perfection have always been our cheerleaders' goals. They bought their own white sweaters and gym shoes and the school provided them with red and green skirts. They always looked

happy and "ready to go" in their smart uniforms.

A day that both squads had been looking forward to was November 8, 1956. On this day the Cheerleaders' Clinic was held at the Hamburg Central School. Here, Lawrence Herkimes from Dallas, Texas, demonstrated different cheers and cheering techniques. He also gave the girls hints on uniforms, skits and crowd psychology. Our cheerleaders brought back many lively and impressive cheers from this meeting.

Throughout football and basketball seasons, our cheerleaders were always "on the job", rain or shine. They inspired the teams to victories and boosted their morale in defeats. Their energetic cheers made the student body yell with more enthusiasm than ever before.

Both the football and basketball teams invited the J.H.S. cheerleaders to the banquets held in honor of the teams. In this way they showed their appreciation for what a splendid job the cheerleaders had done for them throughout the season.
